Sydney Garage **Sectional Doors**

Sectional Overhead Garage Door

Sydney Garage Doors has a range of contemporary designed sectional garage doors.

Our sectional panel glide doors, use modern design concepts to provide new levels of performance and style.

Featuring a raised panel design, the Panel-Glide comprises a number of hinged rigid sections which slide overhead creating a lightweight stylish garage door. With a choice of four designs, Oxford, Madison, Tuscan and Hampton, the Panel-Glide's Colorbond® finish in your choice of woodgrain or smooth texture will enhance your home's street appeal. The Panel-Glide is Australian designed and manufactured specifically for Australian conditions.

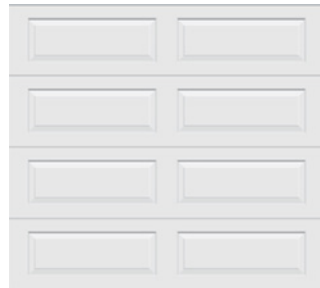

Key Features and Benefits

- Optional low headroom kit available for limited ceiling space
- Four design options
- Available in a wide range of colours – please refer to the Colour Chart for further details
- Strong and versatile garage door option
- Minimal noise and friction

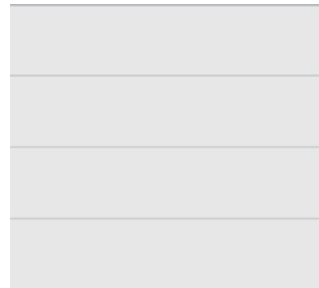

Oxford

The Oxford design uses classic Georgian squares to provide a traditional look to any home. Each square is precision pressed in manufacturing for quality and strength. Ideally suited with a smooth or woodgrain finish, the Oxford design is also available in a smooth finish.

Hampton

The Hampton design elegantly incorporates rectangular embossments for a classic, yet strong style. Available in either woodgrain or smooth finish, the Hampton design suits both modern and more traditional homes.

Madison

The Madison design uses clean, sharp lines and a textured finish to perfectly blend with rendered homes. Available in either woodgrain or smooth finish, the Madison design is the right choice if you are looking for a door to blend with and compliment the façade of your home.

Tuscan

The Tuscan design creates a timber planked style door that is built with low maintenance Colorbond® steel. Horizontal "V" grooves create a sleek and contemporary look, providing the perfect design for modern homes.
