

Garage Door Sealing Systems

**Seal the difference**

## DOMESTIC & INDUSTRIAL SHED DOOR SEALS

Australia's leading garage door sealing company

Founded in 2007, we are an Australian family owned and operated company. We are dedicated to providing superior quality domestic and industrial roller door and personal access door seals. Keep out pests, dust and draughts by blocking out the elements and closing the gaps around the door and floor with a Cleverseal sealing system.

### Comfort and Protection

Seal out dust, pests, birds, extreme weather and bushfire embers

### Quality Product Assured

Our product is backed with a 5 year warranty

### Save on Energy

By reducing air movement around the shed up to 82%

## Top seals

## Side seals

## Bottom seals

## Floor Door Dam

**All seals are available in standard or flame retardant**

The Cleverseal range of garage door and personal access door sealing systems fit any shed, skillion building, barn, machinery shed, stables and storage shed. Our superior range of seals keep out draughts, driving rain, water, wind-blown dust, bush fire embers, leaves, insects and rodents. Cleverseal garage door sealing systems reduce air movement around the shed up to 82%, while reducing light and odours that attract unwanted pests, rodents and insects and will protect your valuable stock feed, agricultural machinery, or livestock.

Cleverseal sealing systems comprise of a comprehensive range of well-designed effective aluminium carriers, combined with various lengths of bristle brush. When you buy Cleverseal, you are purchasing high quality products you can count on.
